

Excerpts from; The Spiritual Writings of B.J. Palmer, by Simon A. Senzon, M.A., D.C.

From Chapter One: On Contacting Innate

v. 36 1958 The Law of Life (pp. 22-23)

Want to Let Innate Contact You?

It is when education is more nearly or totally blanked out that Innate gets in “thot flashes,” because education is less liable to argue, debate, or deny them. (That’s why WE have pad and pencil by our bedside.) The yogis of India have the RIGHT principle, mentally.

The sincere yogi would make an excellent Chiropractor for getting sick well IF he had knowledge and ability to correct the intermediary adjustment to restore power of internal Innate, to perfect greater understandings. Yogis assume what is, to each, the most RELAXED posture, which they assume for hours or days. In this way, THEY attain the peace and poise of plenty, and become “In Tune With the Infinite”

From Chapter Five: On God

v. 28 1952 “Answers” (pp. 299)

(Number 5)

We are coming to think of God as dwelling in man, rather than as operating on man from without.

From Chapter Six: Chiropractic as a Religion

v. 24 1950 Fight to Climb (pp. 493)

Chiropractic today, to many who have dug into its reality and application, does what all creeds, sects, and denominations preach about, wish they could do, try to do, viz., unite God into man, and physical man in tune with abstract God.

From Chapter Thirteen: On Tapping the Inner Potential

v. 34 1957 Evolution or Revolution (pp. 18)

He seeks to know the greater OUTSIDE world. Yet INSIDE HIM is that greater INSIDE world he does not know, seldom recognizes, never fully understands. His limited finite understanding seeks to know the infinite unlimited world surrounding him, but fails dismally to realize that world he seeks is WITHIN HIM. Should that time come when his finite mind could and did KNOW the infinite mind WITHIN, then his external finite mind would cease to be, because it would then be infinite in scope, understanding, and application.
