

Letter from D.D. Palmer to P.W. Johnson

submitted by Joseph C. Keating, Jr., Ph.D.

The following is a reproduction of a letter from D.D. Palmer to P.W. Johnson, D.C., which was recently uncovered (received March, 1995) in the Archives of the David D. Palmer Health Sciences Library in Davenport, Iowa

D. D. PALMER SCHOOL OF CHIROPRACTIC

PERSONALLY CONDUCTED BY THE ONE WHO DISCOVERED THE BASIC PRINCIPLE OF CHIROPRACTIC, DEVELOPED ITS PHILOSOPHY, ORIGINATED AND FOUNDED THE SCIENCE AND ART OF CORRECTING ABNORMAL FUNCTIONS BY HAND-ADJUSTING, USING THE VERTEBRAL PROCESSES AS LEVERS.

D.D. PALMER gave CHIROPRACTIC to the WORLD.

Santa Barbara,
Cal., May 4, 1911.
P.W. Johnson, D.C.;

Yours of April 26th at hand. It contains an interesting and financial question, one which I think Old Dad hold the key of. Stop right now and read two sections in this enclosed circular, on pages 2 and 8 marked, and see if you cannot grasp the way out, that which I see that we are coming to. I want you to study those two items marked. The same ideas are in my book, altho not put out quite so plain as found in these two sections.

I occupy in chiropractic a similar position as did Mrs. Eddy in Christian Science. Mrs. Eddy claimed to receive her ideas from the other world and so do I. She founded thereon a religion, so may I. I am THE ONLY ONE IN CHIROPRACTIC WHO CAN DO SO.

Ye, Old Dad always has something new to give to his followers. I have much new written for another edition, when this one is sold. It is STRANGE TO ME WHY EVERY CHIROPRACTOR DOES NOT WANT A COPY OF MY BOOK.

You write as tho you did not know of my change of location. I lived in this city nine years ago and have always had a hankering for its climate, fruits and flowers. I can edit, publish and place my book on the market as well here as elsewhere. I have not been teaching or practicing since leaving Portland, but have today placed an add in the city paper, of which I am sending you a copy, and will instruct by book or in person as the way opens.

I have been and continue to watch your rights with "The American Octopus". I want you to STUDY the religious move.

California has an organization with Miss Michelson as our attorney.

Please drop me a few lines as soon as your trial is over, so that I may know how matters proceed.

You ask, what I think will be the final outcome of our law getting. It will be that we will have to build a boat similar to Christian Science and hoist a religious flag. I have received chiropractic from the other world, similar as did Mrs. Eddy. No other one has had claim to that, NOT EVEN B.J.

Exemption clauses instead of chiro laws by all means, and LET THAT EXEMPTION BE THE RIGHT TO PRACTICE OUR RELIGION. But we must have a religious head, one who is the founder, as did Christ, Mohamed, Jo. Smith, Mrs. Eddy, Martin Luther and other who have founded religions. I am the fountain head. I am the founder of chiropractic in its science, in its art, in its philosophy and in its religious phase. Now, if chiorpractors desire to claim me as their head, their leader, the way is clear. My writings have been gradually steering in that direction until now it is time to assume that we have the same right to as has Christian Scientists.

Oregon is free to Chiropractors. California gives Chiropractors only one chance, that of practicing our religion.

The protective policy of the U.C.A. is O.K., but that of religion is far better. The latter can only be assumed by having a leader, a head, a person who has received chiropractic as a science, as an art, as a philosophy and as a religion. Do you catch on?

The policy of the U.C.A. is the best that B.J. can be at the head of, BUT THE RELIGIOUS MOVE IS FAR BETTER, but we must incorporate under the man who received the principles of chiropractic from the other world, who wrote the book of all chiropractic books, who today has much new matter, valuable, which is not contained in that book.

If you will watch my book closely as you read, you will find it has a religion contained in it, altho I do not so name it.

If either of the Davenport schools would take advantage of practicing our religion founded by D.D. Palmer, it will make the way of chiropractic as easy as it was for the S.C.'s.

I have given you some special hints on the question which is uppermost in your mind, will you please give it consideration -- never mind if it is new.

Truly,
(Signed) D.D. Palmer.
